EXPERIENCE

Software Developer Intern
SkillCraft Technology

📅 Feb 2025 - Mar 2025 📍 Remote

- Played a role in implementing efficient algorithms, optimizing code for performance, and solving complex computational problems.

Software Architect & Application Designer
Messzz.com

📅 Feb 2024 – May 2024 📍 Pune, India

- Led the end-to-end application design at Messzz.com, a food-tech startup, focusing on scalable architecture, clean UI/UX flows, and modular system structure.
- Designed core user journeys for students and mess owners, including meal booking, subscription management, and real-time updates.
- Defined the tech stack and system architecture for the application.
- Collaborated closely with founders and developer, translating business requirements into wireframes, prototypes, and detailed technical specifications.

UI/UX Designer Intern
Samay Technologies

📅 Oct 2023 – Jan 2024 📍 Pune, India

- Served as a Core UI/UX designer for an all-in-one booking and appointment app at Samay Technologies.
- Designed a clean and user-friendly flow for scheduling, service listings, and calendar views.

PROJECTS

🏆 Real-Time Chat Application
A responsive, real-time chat application that enables users to send and receive messages instantly. Built using Web sockets, it supports multiple users, real-time updates, and a clean user interface for seamless communication.

💓 Restaurant Booking Web Application
A modern, responsive UI design for a restaurant reservation platform. It features clean layouts, intuitive navigation, and user-friendly forms, allowing users to easily browse menus, check availability, and book tables across devices.

📈 Converter Currency
An intuitive web app that allows users to convert between different currencies using real-time exchange rates.

🧍 QR Code Generator
A simple and efficient web application that allows users to instantly generate QR codes by entering text or URLs.

LIFE PHILOSOPHY

"Strive each day to outgrow the person you were yesterday."

EDUCATION

BTech in Computer Science
Ajeenkya DY Patil University

📅 Sept '21 – May '25 📍 8.99 cgpa

Secondary Education - 12th
Gajamal Tulsiram Patil Junior College

📅 Mar 2020

STRENGTHS

Problem-Solving | Attention for detail | Adaptability | Team Work
